

Duchesne Woman Indicted for Theft

SALT LAKE CITY (UPI) — A U.S. Postal Service employee from Duchesne, Utah, has been charged with stealing more than \$1,850 worth of money orders from the federal agency, says U.S. Attorney for Utah Brent Ward.

A federal grand jury has indicted Cynthia Ann Grange Han-

sen on nine counts of fraud and theft of government property, Ward said Thursday.

The indictment alleges that between Nov. 28, 1983, and Feb. 17, 1984, Hansen issued nine postal money orders ranging in value from \$11.74 to \$500 without obtaining money for the checks.
